

ENGAGE THE RIGHT PEOPLE FOR SUCCESS—CHOOSE KEYOT.

Whether you need our consultants for a brief assignment, a significant program or as a permanent member of your team, Keyot delivers success. What sets us apart is our proven process. We not only ensure the right talent and cultural fit for your organization, we also support you—and our consultants—every step of the way. Keyot specializes in serving complex, highly regulated industries, and you can count on our consultants to share insight fueled by experience. As your partner, Keyot commits to understanding your organization; working with you to solve today's business challenges and transform your workforce for what's ahead.

PEOPLE

Access a network of consultants skilled in **program and project delivery, change management, business and data analytics and application development.**

We help you:

- Fill gaps in your organization's succession plan
- Build resource capacity for growth
- Lower the cost of delivery
- Secure resources for short-term project needs

PROJECT DELIVERY

Today's fast-paced business world requires effective, flexible solutions. Exceptional delivery starts with ensuring the right people are on the team.

We provide:

- Innovative solutions for Agile transformation
- Compliance remediation
- Process automation
- Tasks requiring an efficient team ready to hit the ground running

RESULTS

The demands on your workforce to be quicker, more efficient, and nimble are creating opportunities to **automate where possible, upskill where necessary and build for the future.** We work with you to complete initiatives, help to institutionalize outcomes and leave your environment a little better than we found it. In ten years, Keyot is proud to claim every project as referenceable.

TRANSFORM YOUR FUTURE

WORKFORCE WITH CREW212™

Keyot is building the next generation of leaders to support your organization.

The Crew212™ program uses our proven process to *RECRUIT | ENGAGE | MENTOR | TRAIN then LAUNCH™* young professionals into successful IT careers. Our rigorous recruiting and screening method identifies top graduates who possess the grades, emotional intelligence, work ethic and capability to excel. Then we equip these high-potentials with an extra degree of support—our proprietary combination of resources, mentorship and direction from skilled practitioners. By empowering Crew212 junior consultants to become highly capable professionals, they are able to make tangible contributions at your organization, even right out of college.

“YOU DELIVER YOUNG PROFESSIONALS BETTER THAN ANYONE ELSE – CREW212 IS BRILLIANT!”

– Keyot client since 2009
